

Date: April 16, 2024

To: Rishi Badal

It is with great pleasure and immense pride that I, on behalf of **NASA HUNCH**, extend my heartfelt congratulations to you for your truly remarkable achievement as a National Software Finalist. Your exceptional work on the project within the Software, Cyber Security, and AI Discipline at Allen Steam Center, TX under the expert guidance of Mr. Mayberry, has not only caught our attention but also left us inspired by your incredible talent and dedication.

NASA HUNCH program aims to empower and inspire students like you, providing a platform to acquire cutting-edge skills and launch promising careers through hands-on, project-based learning. Your outstanding performance has met and exceeded our expectations, setting a new benchmark for excellence in the field.

NASA HUNCH recognizes that, Rishi Badal success is a testament to dedication, hard work, and natural talent. You have demonstrated a deep understanding of the subject matter and have consistently produced high-quality work. Your ability to think critically and creatively has allowed you to overcome challenges and find innovative solutions to complex problems.

NASA HUNCH would like to thank you Rishi Badal for your contribution and your commitment to excellence during your participation in this program. Your enthusiasm and willingness to excel is evident and you are contributing to and helping **NASA** meet its requirements and goals of space exploration. Working in a team environment has taught you the value of everyone's assets that contribute to the final product and your skills make you a valuable candidate for future endeavors. Please use this letter as a reference for future education, scholarships, and employment opportunities to demonstrate your abilities.

Yours Truly,

Michael Hayes BSc., MSc. Post Graduate Educational Specialist
